10.2.3 Proposed Strategic Objective & Themes (1/2)

TBG Proposes Refinements to the 2015 Strategic Objective

- The proposed Strategic Objective 2019-2023 is as follows:

Strengthening Public Financial Management (PFM) globally through increasing adoption of accrual-based IPSASs.

This Strategic Objective will be delivered through two main areas of activity:

- ***Developing high-quality financial reporting standards and other guidance publications for the public sector; and***
- ***Raising awareness of IPSAS and the benefits of their adoption.***

10.2.3 Proposed Strategic Objective & Themes (2/2)

The TBG Proposes the Following 5 Strategic Themes:

- Theme 1: *Setting standards on public sector specific issues*
- Theme 2: *Maintaining IFRS convergence*
- Theme 3: *Developing guidance to meet users' broader financial reporting needs*
- Theme 4: *Influencing initiatives on the benefits of accrual in strengthening Public Financial Management*
- Theme 5: *Promoting IPSAS adoption and Implementation*

The Strategic Themes were Developed by Consideration Input from:

- The June 2017 IPSASB Breakout Session Discussions
- June 2017 CAG Advice
- Input received at the July 2017 PSSSF

Matters for Consideration:
