<b>Research Projects</b>			
<b>Goodwill and Impairment</b>			
<p>The objective of this research project is to consider how to address the following three areas of focus identified in the Post-implementation Review of IFRS 3:</p> <ul style="list-style-type: none"> <li>- Whether changes should be made to the existing impairment test for goodwill and other non-current, non-financial assets;</li> <li>- Subsequent accounting for goodwill (including the relative merits of an impairment-only approach and an amortization and impairment approach); and</li> <li>- The extent to which other intangible assets should be separated from goodwill.</li> </ul>	IPSASB Project on Public Sector Combinations.	A DP or ED is expected, but without specific date.	
<b>Discount Rates</b>			
Many IFRSs specify, or refer to, the discount rate that must be used to discount estimates of future cash flows. Different Standards specify different discount rates, depending on the objective of the particular IFRS. Views received during the agenda consultation suggest that the reasons for using different discount rates are not well understood, with some respondents suggesting that such differences cause IFRS requirements to be	There are many IPSASB standards which reference discount rates in some manner, such as IPSAS 29, <i>Recognition and Measurement of Financial Instruments</i> and IPSAS 39, <i>Employee Benefits</i> .	A Project Summary is expected Q4 2018.

inconsistent. This research project examines discount rate requirements in IFRS, and assesses whether there any inconsistencies that the IASB should address.			
<b>Share-based Payment</b>			
The initial output of the Research Project is the staff paper presented to the IASB in November 2015. In May 2016 the IASB considered the findings of the research and the feedback from constituents. The IASB decided not to perform further research on this project.	There is no direct impact on current IPSASs as the IPSASB does not have an equivalent standard.	A Project Summary is expected September 2018.	
<b>IBOR Reform and the Effects on Financial Reporting</b>			
The objective of this project is to monitor developments in discontinuing interest rate benchmarks (such as LIBOR, EURIBOR and TIBOR) and determine whether there are any implications for the existing accounting requirements and whether that the Board might want to take any actions.	It could have impact in IPSAS 41, <i>Financial Instruments</i>	The IASB added this project to its active research agenda in June 2018.

<b>Implementation—Narrow Scope Amendments</b>			
<b>Accounting Policies and Accounting Estimates (Amendments to IAS 8)</b>			
A project to make narrow-focus amendments to IAS 8, <i>Accounting Policies, Changes in Accounting Estimates and Errors</i> .	Potential impact on IPSAS 3, <i>Accounting Policies, Changes in Accounting Estimates and Errors</i> .	An ED was issued in September 2017 with a consultation period to 15 January 2018. Feedback to the ED is expected in March 2018. The IASB will decide on project direction in October 2018.	
<b>Accounting Policy Changes (Amendments to IAS 8)</b>			
A project to make narrow-focus amendments to IAS 8, <i>Accounting Policies, Changes in Accounting Estimates and Errors</i> to address challenges posed by the requirements for voluntary changes, particularly those that result from agenda decisions by the IFRS Interpretations Committee.	Potential impact on IPSAS 3, <i>Accounting Policies, Changes in Accounting Estimates and Errors</i> .	An ED was published on 27 March 2018 with a consultation period to 27 July 2018.  An ED Feedback is expected in Q4 2018.	
<b>Improvements to IFRS 8 Operating Segments (Amendments to IFRS 8 and IAS 34)</b>			
Post-implementation review of IFRS 8, <i>Operating Segments</i> .	IPSAS 18, <i>Segment Reporting</i> is not a converged standard with IFRS 8. Any future project to consider IPSAS 18, should reference IFRS 8 and the findings of the post-implementation review.	An ED was issued 31 July 2017 with a consultation period to 31 July 2017. A Feedback Statement is expected Q4 2018.	

<b>Classification of Liabilities</b>			
A project to identify the information requirements of users regarding the reporting of debt.	Potential impact on IPSAS 1, <i>Presentation of Financial Statements</i> .	An ED was issued in February 2015 with a comment period to 10 June 2015.  The IASB will decide on Project Direction in September 2018.	
<b>Definition of a Business</b>			
A project identified through the post implementation review of IFRS 3. The project aims to resolve difficulties that arise when an entity is determining whether it has acquired a business or group of assets.	Potential impact on the public sector combinations project.	An IFRS amendment is expected September 2018.	
<b>Property, Plant and Equity: Proceeds before Intended Use (Amendments to IAS 16)</b>			
A project to deal with proceeds from selling items produced while bringing an item of property, plant and equipment (PPE) to the location and condition necessary for it to be capable of operating in the manner intended by management (i.e. while making an item of PPE available for use).	Potential Impact on IPSAS 17, <i>Property, Plant, and Equipment</i> .	Decisions on the project will be deliberated at a future meeting.  An IFRS amendment is expected. However, an expected date has not been communicated.	

Annual Improvements			
<p>Annual improvements are part of the process for maintaining IFRS Standards and contain Interpretations that are minor or narrow in scope.</p> <p>Amendments made as part of this process either clarify the wording in an IFRS Standard or correct relatively minor oversights or conflicts between existing requirements of IFRS Standards.</p>	<p>The IPSASB improvements project will pick up appropriate IFRS improvements to work to maintain convergence when an IPSAS is based on an IFRS.</p>	<p>The IASB annually publishes an improvements standard. An ED is expected in December 2018.</p> <p>So far in 2018, the following amendments have been approved and will be issued in the next annual improvements cycle ED:</p> <ul style="list-style-type: none"> <li>• Fees in the '10 per cent' test for Derecognition (Amendments to IFRS 9)</li> <li>• Subsidiary as a First-time Adopter (IFRS 1)</li> <li>• Taxation in Fair Value Measurements (IAS 41)</li> <li>• Lease Incentives (Amendment to Illustrative Example 13 accompanying IFRS 16)</li> </ul>	

Disclosure Initiative—Definition of Material (Amendments to IAS 1 and IAS 8)			
<p>The project objective is to refine the definition of materiality and clarify its characteristics. The proposed clarifications were originally discussed during the development of the Principles of Disclosure Discussion Paper.</p> <p>In December 2016, the Board decided to separately publish the proposed clarifications in an Exposure Draft. Consequently, the Definition of Materiality project is now separate from the Principles of Disclosure project.</p>		<p>An ED was issued in October 2017 with a consultation period to 15 January 2018. ED feedback is expected Q2 2018.</p> <p>IFRS Amendment is expected Q4 2018.</p>	

Availability of a Refund (Amendments to IFRIC 14)			
<p>In some circumstances, a company with a defined benefit plan can recognize an asset if the plan has a surplus. The recognition and measurement of that asset depends on whether any economic benefits from the plan are available to the company.</p> <p>The proposed amendments to IFRIC 14 <i>IAS 19 The Limit on a Defined Benefit Asset, Minimum Funding Requirements and their Interaction</i> clarify how a company determines the economic benefits available in the form of a refund from a plan when other parties (such as trustees) have rights to make particular decisions about the plan.</p>	<p>IPSAS 39, <i>Employee Benefits</i></p>	<p>The IASB has proposed amending IFRIC 14 to clarify the accounting when other parties have rights to make particular decisions about a company's defined benefit plan.</p> <p>An IFRS amendment is expected. However, an expected date has not been communicated.</p>	
Disclosure Initiative—Targeted Standards-level Review of Disclosures			
<p>On 21 March 2018, the International Accounting Standards Board (Board) added a project to its agenda to perform a targeted Standards-level review of disclosure requirements. The Board added this project in response to feedback on the Disclosure Initiative—Principles of Disclosure Discussion Paper.</p>		<p>An ED is the expected output. The IASB will decide on project direction in June 2018.</p>	

Disclosure Initiative—Accounting Policies			
On 18 July 2018, the Board added a project to its agenda to develop guidance and examples to help entities apply materiality judgements to accounting policy disclosure. The Board added this project in response to feedback on the Disclosure Initiative—Principles of Disclosure Discussion Paper.		An ED is the expected output.	
Costs Considered in Assessing whether a Contract is Onerous (Amendments to IAS 37)			
In July 2018 the Board decided to undertake narrow-scope standard-setting to clarify the meaning of the term 'unavoidable costs' in the IAS 37 definition of an onerous contract.		An ED is expected Q4 2018.

<b>Recently Completed Projects</b>			
<b>Conceptual Framework for Financial Reporting</b>			
A comprehensive project focusing on the elements of financial statements, measurement, reporting entity, and presentation and disclosure.	The IPSASB has made it clear that it is developing its own Conceptual Framework, not an interpretation of the IASB's Framework. However, the IASB's approach can inform the IPSASB's approach.	The Conceptual Framework was published in March 2018.	The IPSASB's Conceptual Framework was completed in 2014.
<b>Agenda Consultation</b>			
The Trustees of the IFRS Foundation (the oversight body of the IASB) agreed that there will be a three-yearly public consultation on the IASB's future technical agenda.		An ED was issued in December 2014 with a comment period to 17 April 2015.  A feedback statement was published in November 2016.
